
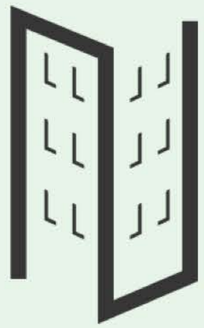
design + code

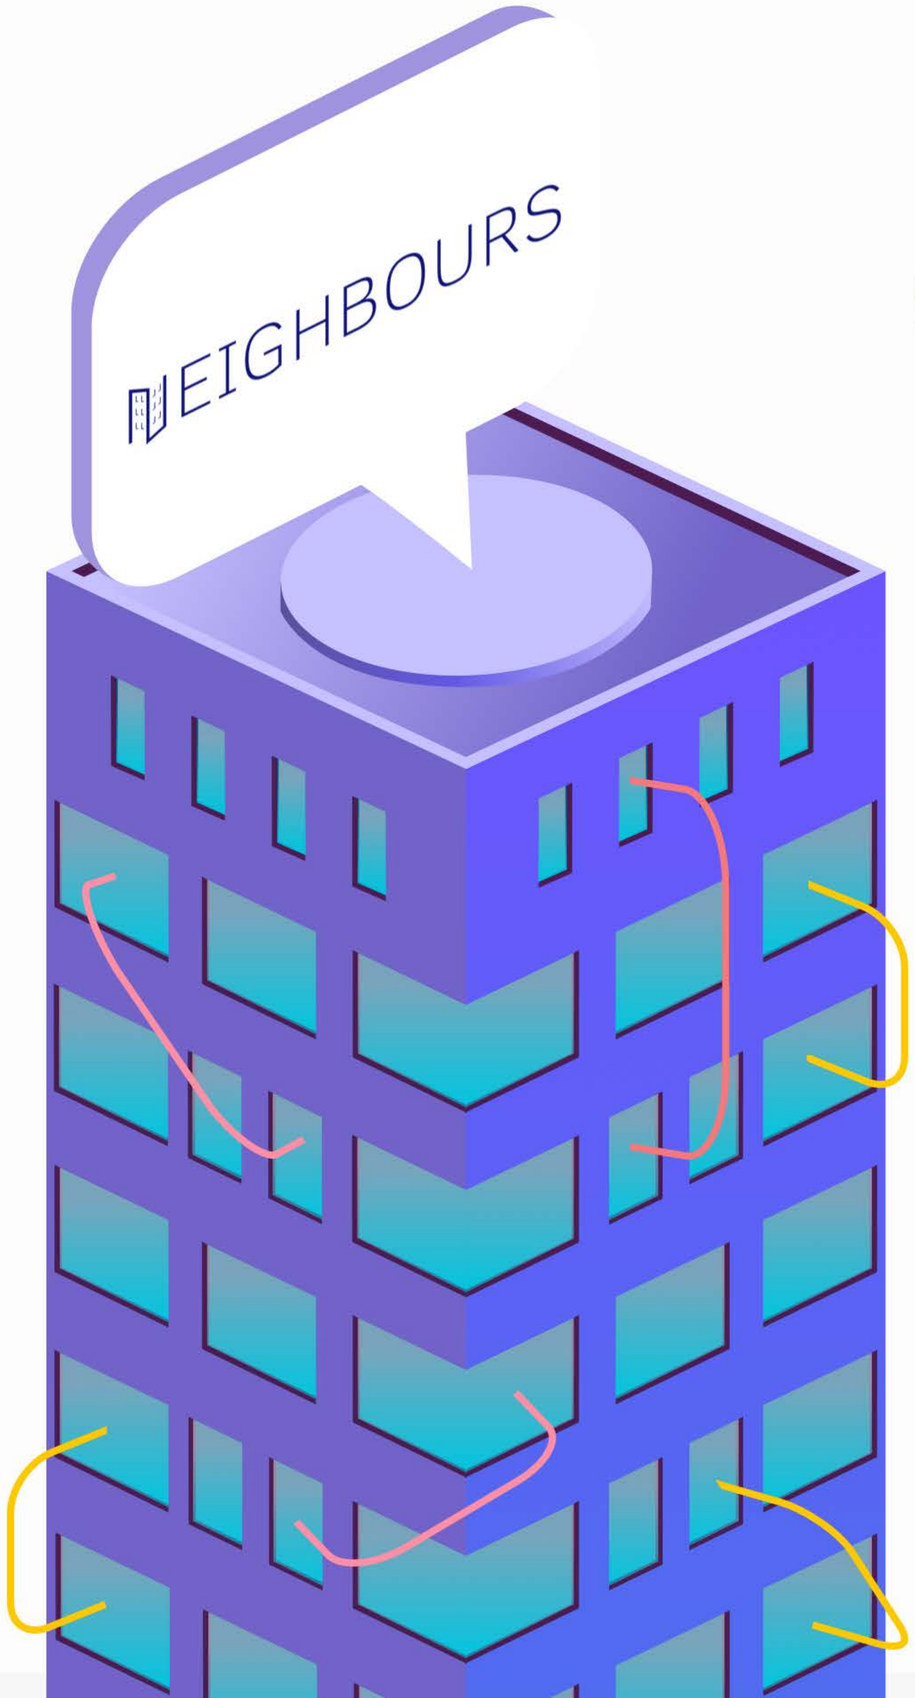
NEIGHBOURS /
BRANDING + DESIGN + CODE

Neighbours connects people living in the same building. The brief was to create a quick mockap which can be developed into an MVP. I created the logo, visual branding and a style guide followed by the design of all the different section of the website.

Logo

Roots - A simple drawn description of a building and looking at the word neighbours brought the idea of the N as the main player for this logo.





Colours

Dark - blue
Background colour

#120079

Glowing - violet

Hello, neighbour.

Fill in this form to join your building and chat away!

What's your first name?

What's your surname?

On what floor do you live?

What's your appartment number?

Any building specifications?

What is your email?

Please choose a password

Submit

noga 21:39 PM
Im good, im excited to go away to Lisbon!

noga 21:38 PM
Was wondering, would you be able to come over and water my plants this weekend?

yael 21:38 PM
YES SURE! when exactly? :)

noga 21:39 PM
I will be back on monday. Dont forget im always happy to give back and come feed monster when you are away!

noga 21:38 PM
I love moster!

yael 21:38 PM
No worries. Monster loves you!

noga 21:39 PM
<3 <3

yael 21:38 PM
Are you at home later, ill pass by to take the keys.

noga 21:38 PM
Yes but ill come over to yours, dont worry!

noga 21:39 PM
What time are you home?
